

A big thank you to all the pilots, workers, and supporters who made this event. A special thanks to all our 'out of town' pilots and to Mark Johnston, the AMA District 8 AVP (New Mexico & El Paso) Albuquerque, for the great photos. Thanks Mark! Report submitted by Mike McCann

**TUCSON RADIO CONTROL CLUB "BARNSTORMERS"**

By Team manager Al Mosher and photos by Ron Allen. The TRCC "Barnstormers" were invited to performed an Air Show for the COCHISE DAYS 2010 festival May first in Sunsites, Arizona.

Many thanks to those who made the show a success!! Nobody got hurt, but we lost a couple of airplanes which will be replaced, but their loss is still

tragic.

The windy conditions tested our skills which were up to the task, but conditions were marginal to say the least. The show went well and I heard many good comments from those who were watching.

Several expressed their thanks for coming down and some others expressed a real interest in getting into the hobby.

Paul, I have your generator--it ran out of gas just as the show was ending--the paper chase went well as the streamers streaked across the sky. All in all, things
